How do i log in to Webmail

Olive Mukwevho - 2019-04-23 - 0 Comments - in Emails

You can log into webmail by going to: <http://www.domain.com/webmail> or <http://youripaddress/webmail>.

Your username will be the entire email address. For example: you@domain.com with the password you've created.

Email (eg. you@domain.com)	<input type="text"/>
Password	<input type="password"/>
